**SQUIGGLE TIME**

1

Make a new picture, using the squiggles below:

Teach THIS

The activity area is a large white rectangle with a blue border. On the left and right sides of the border are vertical columns of colorful squares and small dots. In the top left corner, the text "SQUIGGLE TIME" is written in a colorful, bubbly font. In the top right corner, the number "1" is inside a blue circle. Below the text, there is an instruction: "Make a new picture, using the squiggles below:". In the center of the white area, there are three squiggles: a large circle on the left, two smaller circles stacked vertically to its right, a wavy line on the right, and a hand-like shape at the bottom right. In the bottom right corner of the white area, there is a small logo that says "Teach THIS".

# Number Formation

*Can you trace the numbers?*

# ☆☆ Number Line Addition ☆☆

Finish the number sentences. Use the number line to help.

$2 + 17 = \square$

$4 + 16 = \square$

$12 + 5 = \square$

$19 + 1 = \square$

$9 + 8 = \square$

$6 + 9 = \square$

$7 + 7 = \square$

$17 + 1 = \square$

$3 + 13 = \square$

$5 + 7 = \square$

$15 + 2 = \square$

$8 + 3 = \square$

$10 + 4 = \square$

$16 + 3 = \square$

How much?

\_\_\_\_\_

Mass is measuring how heavy or how light an object is.

Today we are learning to heft. This means we use our arms like scales to feel and measure if an object would be heavier or lighter than the other object.

**Colour in the correct picture and write a sentence underneath.**

*For example, the brick is heavier than the feather.*

Date:

Date:

Date:

How many ones are in 68?

How many corners?

What is the chance a dog will walk into the school today?

- will happen
- might happen
- won't happen

The car drove through the tunnel.

- true
- false

$$3 + 7 = \square$$

How many tens are in 81?

How many corners?

What is the chance an alien will eat lunch with you today?

- will happen
- might happen
- won't happen

The girl jumped under the rock.

- true
- false

$$10 + 0 = \square$$

21, 22, 23, 24, 25

- (A) Counting forwards
- (B) Counting backwards

How long? \_\_\_\_\_ paperclips

I want to collect data on the favourite colours in my class. What question would I ask?

- (A) What is your favourite footy team?
- (B) What is your favourite colour?

What's the time?

Two equal groups?

- yes
- no

56, 55, 54, 53, 52

- (A) Counting forwards
- (B) Counting backwards

How long? \_\_\_\_\_ paperclips

I want to collect data on the favourite pets in my class. What questions would I ask?

- (A) What is your favourite colour?
- (B) What is your favourite pet?

What's the time?

Two equal groups?

- yes
- no

# The Very Hungry Caterpillar Pattern Sheet

Continue the patterns below.

# Flower Pattern Board

-----

Cut out the flowers and create your pattern.

Thursday 2nd September 2021

**SQUIGGLE TIME**

Make a new picture, using the squiggles below:

4

A collection of squiggles for drawing. It includes a large, irregular, bean-like shape in the center; a vertical rectangle on the right; and a cluster of seven small, curved squiggles in the bottom left. The entire activity is framed by a purple border with a vertical strip of colorful squares and dots on both sides.

Teach THIS

# One More or One Less?

Write one more and one less than the numbers shown in the boxes.

Draw one more or one less and write the number in the box.

# Number Bond Sticks

These number bond sticks are made from 18 white cubes and 2 grey cubes.

$$\boxed{18} + \boxed{2} = 20$$

Can you use two colours to make your own sticks with number bonds of 20? Write the matching number sentence below each picture.

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} = 20$$

## Lessons 13-16

### Lesson 13

Date:

67, 68, 69, 70, 71

(A)

(B)

How long? \_\_\_\_\_ paperclips

I want to collect data on the favourite food in my class. What question would I ask?

(A)

(B)

What's the time?

Two equal groups?

yes

no

### Lesson 14

Date:

33, 32, 31, 30, 29

(A)

(B)

How long? \_\_\_\_\_ paperclip

I want to collect data on the favourite animals in my class. What question would I ask?

(A)

(B)

What's the time?

Two equal groups?

yes

no

### Lesson 15

Date:

12, 13, 14, 15, 16

(A)

(B)

How long? \_\_\_\_\_ paperclips

I want to collect data on the favourite sports in my class. What question would I ask?

(A)

(B)

What's the time?

Two equal groups?

yes

no

### Lesson 16

Date:

Write the number shown on the abacus.

Which object has a greater capacity?

How many pears are in the fruit salad?

How many faces?

$10 - 3 =$

Cut out the coin cards and money-value cards. Let's see if you can match them to the correct coin. You could even play a memory game to challenge yourself.
