What Is Minecraft?

Minecraft is a super popular video game. In this game, players build and create with different types of blocks in digital, three-dimensional worlds.

There are two main modes, or ways to play, Minecraft. They are *Survival* and *Creative*.

Survival Mode	Creative Mode
<ul style="list-style-type: none">• Players need to find their own building supplies.• Players need to find food.• Players interact with mobs which are block-shaped creatures that move.	<ul style="list-style-type: none">• Players are given all the supplies they need.• Players do not need to find or eat food.

To play Minecraft, you will need a computer or other digital device, such as a tablet or smartphone. You will also need to create an online account.

Any players aged 12 or under will need to have a parent create their account for them. *Don't forget, you should always ask parent before going online!*

Questions

1. Select the **best** definition for Minecraft.

- Minecraft is an online game.
- Minecraft is a popular video game in which players use blocks to build and create digital, three-dimensional worlds.
- Minecraft is a fun game that can be played on a computer.

2. Which Minecraft mode do you think you would prefer to play?
Explain your answer.

3. What are 'mobs'? Write your answer and then draw an example of what a mob might look like.

4. What do you **need** to be able to play Minecraft? Choose all correct answers.

- computer/digital device

Spring in Australia

There are four seasons during a year. The four seasons are spring, summer, autumn and winter. Each season lasts for three months. In Australia, spring happens during September, October and November.

Weather in Spring

In spring, the days become warmer and longer. There is more daylight in spring. During spring, the weather is mixed. It can be warm, cool and rainy.

Animals in Spring

In spring, many animals have their babies. Birds start to build their nests and then lay their eggs.

Plants in Spring

Plants need water and sunlight to grow. Spring provides the perfect environment for new growth. Flowers may start to bloom because of the warmer weather. Fruits, such as apples, pears, avocados, lemons, mandarins and strawberries, begin to grow.

People in Spring

As the weather gets warmer and the days last longer, people spend more time outside. What do you like to do in spring?

Questions

1. When does spring begin? Choose the correct answer.

September

October

November

December

2. How long is spring?

3. Which season comes after spring?

4. What is the weather like in spring?

5. How do plants change in spring?

6. Why do you think people spend more time outside in spring?

7. What do you like to do in the warmer weather?
