

Mathematics – Week One

Monday	Tuesday	Wednesday	Thursday	Friday
Online Learning				
<p><u>Activity 1</u></p> <p>Click on the Studyladder link which is found in the resources section of Google Classroom. Watch the 2 videos about 'counting by 2's'.</p> <p>Your turn now:</p> <p>1. Complete the 10 questions by counting by 2's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p> <p>2. Complete the 10 questions by counting by 2's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p> <p>3. Say the answers out loud for the following activity. Race against someone in your house if you can. Click on the Studyladder link which is found in the resources section of Google Classroom. The worksheet is called 'skip counting by 2's'.</p>	<p><u>Activity 1</u></p> <p>Click on the Studyladder link which is found in the resources section of Google Classroom. Watch the 2 videos about 'counting by 3's'.</p> <p>Your turn now:</p> <p>1. Complete the 10 questions by counting by 3's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p> <p>2. Complete the 10 questions by counting by 3's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p>	<p><u>Activity 1</u></p> <p>Click on the Studyladder link which is found in the resources section of Google Classroom. Watch the 2 videos about 'counting by 5's'.</p> <p>Your turn now:</p> <p>1. Complete the 10 questions by counting by 5's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p> <p>2. Complete the 10 questions by counting by 5's. Record your score out of 10. Click on the Studyladder link which is found in the resources section of Google Classroom.</p> <p>3. Say the answers out loud for the following activity. Race against someone in your house if you can. Click on the Studyladder link which is found in the resources section of Google Classroom. The worksheet is called 'skip counting by 2's'.</p>	<p><u>Activity 1</u></p> <p>Click on the Studyladder link which is found in the resources section of Google Classroom. Click on the link to the hundreds chart.</p> <p>Start at the following numbers and continue counting by 2's out loud.</p> <ol style="list-style-type: none"> 1. 0 2. 12 3. 26 4. 80 5. 42 6. 50 7. 66 8. 38 9. 8 10. 72 	<p><u>Activity 1</u></p> <p>Click on the Studyladder link which is found in the resources section of Google Classroom. Click on the link to the hundreds chart.</p> <p>Start at the following numbers and continue practise counting by 5's out loud.</p> <ol style="list-style-type: none"> 1. 0 2. 40 3. 65 4. 50 5. 15 6. 75 7. 45 8. 30 9. 20 10. 85 <p>2. Now close the hundreds chart. Attempt to count by 5's without looking. Record how you went.</p> <ol style="list-style-type: none"> 1. 0 2. 40 3. 65 4. 50 5. 15 6. 75 7. 45 8. 30 9. 20 10. 85

<p>1940 Activity 2 Click on the Studyladder link which is found in the resources section of Google Classroom. Watch the video about 'counting by 10's'. Say the numbers out loud with the video counting by 10's.</p> <p>Your turn: Click on the Studyladder link which is found in the resources section of Google Classroom. Complete the 10 questions about 'counting by 10's off the decade'.</p>	<p>Activity 2 Watch the clip about counting by 10's off the decade again. Click on the Studyladder link which is found in the resources section of Google Classroom. Say the numbers out loud with the video counting by 10's.</p> <p>Press pause. Race against someone at home starting at the number 3, 6, 8.</p> <p>Your turn: Click on the Studyladder link which is found in the resources section of Google Classroom. Complete the 10 questions about 'counting by 10's off the decade'.</p>	<p>Activity 2 Watch the clip about counting by 10's off the decade again. Click on the Studyladder link which is found in the resources section of Google Classroom. Say the numbers out loud with the video counting by 10's. Press pause. Practise your counting by starting at the number 5, 7, 9.</p> <p>Your turn: Race against someone at home starting at the number 1, 2, 3.</p>	<p>Activity 2 Click on the Studyladder link which is found in the resources section of Google Classroom. Click on the link to the worksheet to open 20 questions about counting by 10. Record your results.</p>	<p>Activity 2 Click on the Studyladder link which is found in the resources section of Google Classroom. Click on the link to the worksheet to open the next 20 questions about counting by 10. Record your results.</p>
